

## Introduction - The Wedding:

The movie scene starts with an outside view of Premia de Mar's church. The sun is shining above the sky, there is no cloud in sight and everyone is in the church.

Using a black fade we enter to the church and we see Giant Martí and Esther in front of the priest who is officiating the wedding. In the middle of the ceremony, a strong noise breaks into the church, the doors open and Pirate Omar appears. He comes with several of his minions, including Sahin who is the second in Omar board. They quickly take control of everything and Omar is approaches Esther in order to kidnap her.

Seeing Omar's intentions, Marti decides to stand up to protect his beloved but is felled by a cannonball fired by one of Omar followers.

Marti is knocked out so Omar kidnaps Esther and a few of those attending the wedding, including game's main character, Kedi.

At the end of this first scene we can see how Sahin and a few pirates carried Esther and the other prisoners to the cellar of his ship and locked in the small prison they have there.

Esther tells you (Kedi) that you have to found the way to exit the Boat. Now the game starts.

## 2<sup>nd</sup> Movie Scene - City hall:

The action starts with Marti being surrounded by some villagers. After some cares he finally regains consciousness. They explain what happened and they take him to the city hall in order re-join with people who are standing up against pirates. When they arrive at city hall, all is on fire and the pirates have captured as much of the town.

Before being discovered a child tells them the situation. He told them that there is a single street on the town that is still free of pirates.

## 3<sup>rd</sup> Movie Scene - Resistance:

Giant Marti and his colleagues arrive to the street where the villagers are standing up the pirates. Once there, people are happy to see that the Giant is still alive. Giant Marti grows people's moral in order to organize an attack to expel the Pirates outside the village.

They rest during the night and early in the morning decide to act with Marti at the head of the resistance. The plan is fight Pirate's top positions in order to disrupt their plans and kick them out.

## Ending – Driving Out the Pirates:

Kedi overcome all the Pirates and he finally scape the ship with Esther and the other prisoners. They take a little boat, after some rowing they finally arrive to the shore of Premia de Mar Beach.

They disembark the boat and start walking towards the village searching for help when suddenly they begin to hear screams in the distance. At first look we see some Pirates that go to them and the fear of being caught again scares them, but they are not going to caught them, they are actually being pursued by a group of angry villagers.

They decide to continue their way to the town when again another group of pirates with Pirate Omar appear.

This time the pirates stand with the intention of kidnapping Ester despite they have lost the battle to conquer the town. Kedi stands up against Omar the Pirate.

Kedi is already at the limit of his strength and is about to be defeated by Omar when Martí finally arrives to rescue Ester and help the others in their battle against pirates. Marti combats Pirate Omar and after an exchange of punches Marti throw Omar to the pirate ship which is moored a few miles offshore.

Finally the threat of pirates has been defeated after a few days of terror in the village. Even with the village in ruins and some wounded in the hospital, they celebrate the wedding between the Giant Martí and Ester. This time the godfather is Kedi, who has earned the admiration of Martí, Esther and the whole people by its bravery.
